DEDICATION

We, the Seniors of Hayes County High School, in order to show our appreciation and gratitude for the freedoms, liberties, and human rights that enabled us to grow up to carry on and to improve the ideals of a great democratic nation, do dedicate this Annual to our country, the United States of America, now in her two hundredth year of service.

THE SPIRIT OF '76

Make way for us; here we come.
We're the future — America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.
Hypocrises won't get us down;
We will strike where these abound.
There's much to do; we're needed here,
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try and help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the Spirit of '76!
